Old Business:

The entire meeting was centered on the continued review of the Comprehensive Plan:

- Mr. DiMatteo addressed concerns of the Board from the October meeting and made suggestions likewise.
- It is Fran's intention to have the Comprehensive Plan finished by January, but at the same time realizes the importance of submitting a plan that reflects the best interest of the Town. With that being said, the completion of the Plan may not be completed by then.

- Sheila Hess will present at the December meeting, but not until 8 p.m. The Board is very interested in hearing from Sheila and welcomes her insight / input to the completion of the Plan.
