### **Board Committee Report**

#### **Deputy Supervisor and Fire Chief Fluker:**

The Fire Department desperately needs volunteers and the need for an Ambulance Driver is crucial. Applications are being accepted with no experience necessary. Training is provided and applications for any of the above mentioned are available at the Fire House. The need for reaching the younger generation and attracting them as volunteers is a priority. We appreciate any suggestions that help do this. The estimated number of calls for the month are sixteen.

**Councilman Street:** No meeting held this month.

**Councilman Embt:** Reminder regarding the Public Hearing.

**Councilwomen Fowler:** Monroe County service charges are increasing to help cover the cost of water to the city of Batavia. This increase should not; impact Bethany residents at this time because Bethany buys directly from Monroe County Water Authority (MCWA).

**Supervisor Hyde:** Presented Water District Updates as listed below in Old and New Business and any Resolutions to be voted upon. In addition, Supervisor Hyde, presented Debbie L. Douglas, former Town Clerk of Bethany, with a gift and Proclamation on behalf of the Town of Bethany in recognition and thanks for Nineteen years of Public Service to our community. Several other gifts were presented by means of donation from town residents and fellow municipal officers by the Town Clerk. Supervisor Hyde, then gave the floor to Debbie and her husband Tom, who presented some very generous farewell gifts to the Town of Bethany that include Defibrillators and Thermal Imaging cameras which will be placed in the Community Center and Fire House. A few Lanyards were donated by the American Automated External Defibrillators (AED) with the gifts. Debbie and Tom expressed the

pleasure it has given them to serve the community and thought it only fair to give back one last time.
