Re: Town of Bethany
Project No. 19136
Water District No. 5

Dear Supervisor Hyde:

Thank you for your application to the NYS Water Infrastructure Improvement (WIIA) grant program. I regret to inform you that your community's project was not selected to receive an award during this round.

Your application was deemed acceptable but unfortunately there was not enough funding available to reach the project.

However, please note that your community may reapply for a WIIA grant in a future round of the program. If you would like to list your project on the 2024 SRF Intended Use Plan for financial assistance through EFC, please submit a listing form via EFC's website.

We appreciate your interest in the WIIA program. If you have any questions, please reach out to nyswatergrants@efc.ny.gov and reference your project number and WIIA in the subject line.

Sincerely,

David S. Phillips., P.E.
